

Patriots Technology Consulting

Give your business the PTC competitive edge!

Who We Are

John J. Cirignano, PMP

President, Patriots Technology Consulting

- *PTC is an association of retired CIOs, certified project management professionals, IT architects, IT developers, and e-business content/media specialists.*
- *PTC specializes in tactical and strategic business planning and implementation focused on integrating new technology into your business.*
- *Give your business the PTC competitive edge!*

Priorities

- *Competitive Business Solutions --- First!*
- *Technology --- Second!*

Systems & Business Processes Integration

- *Sometimes the competitive business solution is more a change in business operations than an infusion of new technology.*
- *More often than not, it is a combination of operational changes and new technology.*
